

If you customize your Language Book Index to include worksheets, DiGIMS Online will help you manage **DIFFERENTIATED INSTRUCTION** by letting you know how many copies of each worksheet you will need.

## Copies Needed Report

04/07/2010 - 04/08/2010

---

| <u>Language Book Index</u>      | <u>Exercise</u> | <u>Number of Copies Needed</u> |
|---------------------------------|-----------------|--------------------------------|
| Elements of Language 3rd Course |                 |                                |
|                                 | Worksheet 34    | 2                              |
|                                 | Worksheet 57    | 1                              |
|                                 | Worksheet 101   | 2                              |
|                                 | Worksheet 124   | 3                              |
